

This disclaimer applies to www.japcc.com, referred to from now on as “website”.

This website provides general information about our company and our services. Although the information on this website has been compiled with care, we cannot guarantee its accuracy or completeness. J.A. Printed Circuit Company (JAPCC) cannot guarantee that the information on this website is suitable for the user’s purpose or that it is up to date and / or complete at the time of the visit.

We assume no liability for the accuracy or completeness of the information on this website. The information provided is therefore solely indicative and can be changed at any time without further notice. No rights can be derived from the content of this website in any way. The user of this website is fully responsible for the choice and use of the information.

Intellectual property rights

Intellectual property rights, including copyrights, with regard to all parts of the website, including but not limited to: layout, image elements, text, photos and the like, as well as the rights with regard to all publications, which can be found on www.japcc.com, belong solely to J.A. Printed Circuits Company to the extent that those rights do not belong to third parties.

The user of the website is not permitted to reproduce, distribute or disseminate the contents of this website or make it available to a third party for payment without the express written permission of J.A. Printed Circuits Company and / or its legal representative.
